### Song Lyrics

Seven in the morning  
Sleeping in my bed

Dreaming I'm a star

On a movie set

All the paparazzi  
The papers say I'm good  
I'm on movie screens  
In magazines

I'm Mr. Hollywood

Yes, I'm famous  
And I'm cool

And I've got seven cars  
I'm handsome,

rich,

fabulous

I'm a  
movie star!  
On a yacht

### Dance Movements

Show 7 fingers

Put the palms of both hands together, lean your head to one side and rest it on your joined hands

Raise your hands over your head, turned inward with palms facing down, and wiggle your fingers as if playing the piano

As if filming with an old camera, one hand turns the crank while the other holds the camera

Take photos like a paparazzi

Show two thumbs up

Draw a large rectangle in the air with both index fingers

One hand, palm up, holds a magazine while the other turns the pages

With an enormous, self-satisfied smile, point to your chest with both thumbs

Keep smiling, and throw your arms out wide to the sides  
Smiling even more, like a supercool movie star, point to one side with both index fingers (one arm fully extended).

Show 7 fingers

With the palms of your hands, smooth back your movie star hair

Make the "money sign": palms up, rub your index and middle fingers against your thumbs

Show us your fabulous physique: turn halfway to one side with hands at shoulder level and palms up, then bring them slowly down to hip level

Point to your chest with both thumbs

Throw your arms out energetically to the sides

Grab an enormous rudder (above and in front of your head) and turn it from side to side

### Dance Movements

Extend your arms like airplane wings

Play the harp (the national symbol of Ireland): starting with your arms extended in front of you & palms facing each other, bring one hand towards you, then the other, while you "play the harp" with your fingers

Play a hand drum with both hands (Senegal is famous for having some of Africa's finest drummers)

Hold up one index finger

While still extending index finger, point down and sweep your hand dramatically from one side to the other (to show the Walk of Fame)

Point to your chest with both thumbs

Throw your arms out energetically to the sides
